## PREFACE

By the grace of Almighty Allah, we are pleased to launch the third edition of "The Islamabad Laws". The book in your hands is a compilation containing extensively upto date Laws relating to CDA and ICT Administration with proper referencing and footnotes alongwith comments based on case law of Superior Courts of Pakistan.

Unfortunately, the laws dealing with these issues are available in scattered and not in compiled form, with result that for resolving the issue several books have to be consulted. This is an attempt to meet the requirement of bringing all the available laws, provision of laws and other allied legislation in one book to facilitate those who are directly or indirectly concerned.

It is hoped that this collection of laws will be very useful for legal practitioners, officials, concerned persons and all other users. Though it might not be an ideal or perfect work in all respects or according to wishes of users or concerned persons. Being the first effort of its kind, it might require improvement, and we are open to welcome all suggestions and proposals for such improvement, additions and corrections for serving you in a better way and be thankful to you for such guidance and cooperation.

Every effort has been made to make this publication error-free but there is possibility of mistakes, errors and omissions but all it will be without any bad intention. However, we shall be thankful if you point out about such mistake, error or omission for rectification in future editions and benefit of others, Your cooperation, guidance and assistance will be of tremendous benefit for us.

All suggestions and comments will be welcomed for improvement of quality of this work.
